Sam:

Good morning! Your letter came to my attention this morning. I did discover that the comment date was set by Commission Order in 2014, so it is not modifiable solely by Hearing Officer Directive. However, do not despair, we are working on a solution to the problem. If I find out, for some reason, that I cannot solve the problem, I will get back to you ASAP.

Thanks and Regards,
 David Butler

David,

I hope you're doing well. I should have CC'd you on the attached letter, which was filed this past Monday and docketed this morning in Docket No. 2020-83-E. The letter includes a request for a one-week extension for intervenor comments from this Friday, May 15, 2020 to May 22, 2020. No party objects to this extension request. I apologize for these late revisions to the Company's filing and the emergent nature of the comment extension request, and I appreciate your consideration of the request.

Kind regards,
Sam
